## **VOLUNTEER APPLICATION / INFORMATION**

**THANK YOU** for you interest in Birthline!

**OUR CENTER** is just one of many Birthline centers. This international system helps teens and women who may be experiencing an unplanned pregnancy. We offer them a true alternative to the choice of having an abortion.

**OUR PURPOSE** is to help these women work with their problems without resorting to abortion. If you think of it, there are very few times in our lives when we can actually be responsible for saving a human life. Volunteering with Birthline will give you that rare experience.

**OUR VOLUNTEERS** know that no matter what area they choose to work in, they are helping to reassure a distressed woman or girls that somebody cares about her and her unborn baby. We have many jobs, and all necessary functions of Birthline.

**IN ORDER FOR YOU TO SERVE IN THE AREA OF YOUR INTEREST, PLEASE HELP US BY COMPLETING AND RETURNING THIS APPLICATION / INFORMATION FORM TO US.**
